	_)

NOTICE IS HEREBY GIVEN that Plaintiff, pursuant to Federal Rule of Civil Procedure 41(a)(1), hereby voluntarily dismisses this matter with prejudice as to the Named Plaintiff, and without prejudice as to the Putative Class, pursuant to Federal Rule of Civil Procedure 41(a)(1)(A)(ii). Defendant has neither answered Plaintiff's Complaint, nor filed a Motion for Summary Judgment. Each party shall bear their own costs and attorney fees.

The notice and approval requirements of Federal Rule of Civil Procedure 23(e)¹ are inapplicable to the parties' settlement and dismissal of this putative class action because this action has not been certified as a class. Regardless, there is no prejudice to the absent class members because (i) it is highly unlikely that there has been any reliance by putative class members on the filing of this class action to vindicate their rights; (ii) putative class members' claims will not be prejudiced by lack of adequate time to file other actions due to the tolling of the absent class members' claims; (iii) there have been no concessions, impairments or other actions taken by the Parties' counsel that would prejudice the class' claims; and (iv) the putative class members are being dismissed without prejudice.

The Parties agree that this Court can proceed to dismiss this Action entirely with prejudice as to the Named Plaintiff and without prejudice as to the Putative Class.

Respectfully submitted this 1st day of May, 2015
